

## ENVIRONMENTAL STATEMENT

Jackson Rowe recognises that its operations affect the environment. We will control and manage our operations in order to minimise such effects and ensure compliance with the Environmental Protection Act 1990 and other relevant statutory regulations as applicable.

It is the policy of Jackson Rowe to take whatever action is deemed necessary to protect the environment as an integral part of good business practice.

### TO IMPLEMENT THIS POLICY, JACKSON ROWE WILL: -

- :: Routinely review its' operations in an effort to ensure continuous improvement on environmental issues.
- :: Develop as far as economically practicable, procedures & processes that will minimise the production of waste.
- :: Co-operate with the relevant authorities to ensure compliance with statutory regulations and codes of practice.
- :: Provide the necessary information to enable products to be transported, stored, installed and where necessary disposed of, in accordance with statutory requirements in order to minimise damaging effect to the environment.
- :: Maintain a high standard of employee awareness relating to the importance of environmental issues and provide appropriate training.
